ALZHEIMER’S & DEMENTIA CARE
For persons suffering from Alzheimer’s disease, daily activities such as getting dressed, bathing, and eating meals hold new challenges.

Our caregivers have been specially trained to help your family member maintain a sense of independence and accomplishment.

- Calm & understanding
- Use schedules to create structure
- Give simple one-step instructions
- Manage changing & unpredictable moods
- Engage in mind stimulating activities
- Facilitate social interaction
- Maintain a safe environment
- Provide nutritious meals

Home Sweet Home Care is an independently owned and operated private duty home care agency.

Our highly experienced and trained caregivers have received outstanding marks from families just like yours.

Our caregivers are available from a few hour per week to 24 hours a day including weekends and holidays.

Some people only need assistance until they recover from an illness or surgery. Others need assistance with daily activities on a continuing basis. We will work with you to assess and meet your personal needs.

FAMILY RESPITE
Home Sweet Home Care makes it possible for family caregivers to take time off to attend to their own needs.

Clinical research shows that people prosper and recover best in the comfort of their own homes. However, today's busy lifestyles can deprive family and friends of the time and energy required to safely care for a loved one at home. Fortunately, Home Sweet Home Care provides the necessary help to meet all the daily needs of the homebound individual.
